

# GUNNEBO

For a safer world®.

## EUROPA GRADE III PRODUCT DATA SHEET

### KEY FEATURES

*The GUNNEBO Europa Grade III is a high quality cash safe suitable for use in the banking environment*

*The safe is independently certified to EN 1143—1 and can be modified to carry SABS 751/SANS 751 CAT5 rating*

*To compliment the significant barrier armour designed to thwart determined attacks using a variety of tools, passive and active re-lockers ensure the door is held in the locked position should it be attacked*

*A choice of locking options and internal fittings to maximize storage options is available. Locks fitted to GUNNEBO Europa Gr-III safes conform to ENV1300*

*Base fixing is standard*
